### **Janice M. Winfrey**

As Chief Elections Officer, a large voter turnout in **all** elections is not only desirable but a major goal. Long lines at the polls means our citizens are “speaking” and insisting that their voices are heard! Because of the historic nature of the forthcoming November 4th General Election, we are projecting and preparing for a heavier than usual voter turn-out which means longer lines at the polls! Longer lines and faster service is what you should and can expect at the polls. However, we want to ensure that your experience in all of our polling places is a good one, and to that end, we have made the following preparations:

- Purchased two thousand (2000) additional voting booths to eliminate the waiting time to use a voting booth after a ballot is issued.
- Implemented an Electronic Poll Book System in all polling locations to confirm that each registered voter is in the correct polling place, district and precinct. If the voter is in the wrong precinct or location, the system will assist us in locating where he/she is assigned to vote so the voter can be directed accordingly.
- Mailed an informational pamphlet that includes a return “Permanent Absentee Voter Application Request

Card” to all registered voters households in Detroit. To remind those who may be eligible to vote by absentee and wish to be included in our permanent Absentee Voter List, to complete and return “Permanent Absentee Voter Application Request Card” and to inform voters of their correct voting precinct and district.

● Detroit’s five hundred twenty nine (529) voting precincts and their locations will be published in the Detroit News and Free Press, prior to both the August Primary and November 4th General Election.

● There will be a traffic/line control inspector assigned to each of our polling locations to ensure that lines are flowing smoothly and that voters are in their correct precincts.

Remember long lines and large voter turnout are good things, however, we do not want you to spend the entire day standing in line, so, lets be prepared Detroit, bring your photo identification, your patience and know your candidates.

**Voting Precincts  
Will Be Published In  
The Detroit News and Free  
Press Prior To The  
August Primary!**

## Accomplishments:

# Write-In Candidate Q&A

Edwin Ukegbu

## Q. What is a write-in candidate?

**A.** A person running as a write-in candidate must file a Declaration of Intent to be a write-in candidate with the filing official for that elective office on or before 4:00 P.M. on the second Friday before the election (July 25, 2008).

## Q What are the requirements for becoming a write-in candidate?

**A.** Prospective write-in candidates for an elective office must visit the Secretary of State, County or the City Clerk’s Office to complete a Declaration of Intent Affidavit to qualify as an official write-in candidate before 4:00 P.M., July 25, 2008 (precinct delegates are allowed to file until 8:00 P.M. on election day). A list containing names of all official write-in candidates are made available to all voting precincts to be used during tallying of write-in votes after the polls are closed.

## Q. Does the ballot tabulating machine count the write-in votes?

**A.** Yes! Write-in votes are tabulated. However, the machines only tabulate votes for the write-in field on the ballot. The machine cannot determine valid or invalid write-in votes on a ballot.

As a result, ballots with write-in votes are placed in a different ballot bin for precinct workers to manually inspect and tally official write-in votes after the polls are closed.

## Q. How are valid and invalid write-in votes distinguished?

**A.** Valid write-in votes are votes for those candidates who filed a Declaration of Intent Affidavit prior to the filing deadline. Invalid write-in votes are votes for someone who did not file a Declaration of Intent Affidavit. Votes cast for this individual are considered invalid and will not be tallied.

# Michigan's New Photo ID Requirements

Janice M. Winfrey, City Clerk

The New Michigan Election Law mandates all registered voters to present a valid photo identification or complete an "Affidavit of Voter Not in Possession of Picture Identification" before a ballot can be issued by Election Day workers. I want to insure that registered voters in Detroit are fully prepared as they head to the polls on Election Day, August 5, 2008.

As your City Clerk, my ultimate concern is to protect your right to vote, educate you on the process and ensure a positive voting experience. Therefore, when you arrive to your polling location, we want you to be prepared by presenting valid photo identification.

If you do not have a valid photo identification, just complete the affidavit on the reverse side of your voter application and a regular ballot will be issued to you. Vote your ballot accordingly and insert it into the tabulator as directed.

Completing an "Affidavit of Voter Not in Possession of Picture Identification" does not result in voting a provisional ballot. **Upon completion, you will receive a regular ballot to vote.** I encourage Detroit voters to be prepared prior to Election Day and arrive to the polls ready to vote.

**Below is a list of accepted forms of photo identification:**

- Michigan driver's license or a Michigan personal identification card (this does not have to be current)

**Voters who do not possess either document may show any of the following as long as they are current:**

- Driver's license or personal identification card issued by another state
- Federal or state government issued photo identification
- U.S. Passport
- Military identification card with photo
- Current student identification card with photo from a high school or an accredited institution of higher education
- Tribal identification with photo

### Write-in Candidates:

A write-in candidate is a prospective candidate whose name may not appear on the ballot as a result of missing the filing deadline. The prospective candidate may file to become an authorized write-in candidate; meaning that voters who wish to vote for this candidate must write in his/her name on the write-in line provided on the ballot and also fill-in the oval beside the write-in line.

### To Cast A Write-In Vote:

1. Select the authorized write-in candidate(s) for whom you wish to vote.
2. Write the candidate's name in the space provided.
3. Shade the oval to the right of the candidate's name.

On Tuesday, August 5, 2008, a State-Wide Primary will be held in Michigan for the purpose of nominating candidates for Federal, State and Local offices.

The above political composition chart provides you with the district numbers of your representatives in the United States Congress, State Senate, State House of Representative and County Commission.

## From The Desk of the Director

Daniel A. Baxter, Director of Elections

Also featured are your district/precinct and voting location. Use this information with the sample ballot to determine which candidate(s) you will vote for in the Primary.

When going to vote on Election Day, be prepared to show an acceptable form of photo ID. If you do not have photo ID, you must fill out and sign an "Affidavit of Voter Not In Possession of Picture Identification."

Do not split your ticket. If you vote in more than one partisan section of the ballot, the partisan portion of the ballot will be rejected.

You must vote at the polling location that serves your registration address. Michigan Election Law mandates that the address on your driver's license or state identification card must match your voter registration address.

### Do Not Split Your Ticket!

If you go to the wrong polling precinct and ask for a ballot, you will be given a provisional ballot.

The provisional ballot will not be counted if, after the election, it is confirmed that you are registered in a different precinct.

If you have questions regarding the August 5th Primary please feel free to contact the Department of Elections at (313) 876-0190.

Study your sample ballot and the voting instructions before Election Day and you will be properly equipped to vote.

Polls open at 7:00 a.m. and close at 8:00 p.m. Anyone in line before the polls close will be allowed to vote.
